## PRESS RELEASE

For Immediate Release

### **Executive Governor of Kwara State Commissions ICT Lab in Government Secondary School (GSS) Ilorin**

The Executive Governor of Kwara State commissions the newly renovated ICT laboratory in Government Secondary School Ilorin, Kwara state to improve the learning, teaching and creative capacity of secondary school students.

The ICT laboratory, recently renovated by YouthHubAfrica with support from Huawei Technologies is equipped with thirty-one (31) state-of-the-art computers, UPS, overhead projector and other ICT facilities, to improve the standard of Science Technology Engineering and Mathematics (STEM) related courses as well as innovation amongst students so as to enable them develop their skillset and provide a level playing field with their counterparts globally.

The launch held on Tuesday, 26th October 2021, at the school's auditorium with the Executive Governor of Kwara State -Mallam Abdulrahman Abdulrasaq who commissioned the ICT laboratory, brought together illustrious alumni of the school.

Technology is a crucial part of today's world and a key solution towards bridging the current skill gap. The renovated ICT will not only broaden their horizon but present the younger generation with global opportunities and position them at the forefront of 21st century innovation.

Signed  
Rotimi Olawale
